Kaaren Hirst

SLANZA work has been an inherent part of Kaaren's life for the length of her career in school libraries. Her ongoing work with NZEI advocating for support staff and school librarians in particular, has benefitted all. Kaaren's years on committees and her work representing SLANZA has been of enormous value to our organisation.

Barbara Murison

Barbara Murison has spent her life promoting and working with school libraries. Through her ventures in publishing and her online presence she has informed school libraries about books for young people. Barbara is a longstanding member of SLANZA and a supporter of school libraries across the nation. Her work to promote school libraries is of nationwide importance.
