Presentation skills for positive promotions

A workshop on presentation skills, successfully delivered to the Auckland SLANZA members last year at one of their Saturday meetings, suitable for an audience of library and teaching staff, at primary, intermediate and secondary.

The session covers the following modules:

- * Ideas for school library presentations
- * Presentation planning
- * The presentation outline
- * The presentation delivery
- * Facilitation techniques to consider
- * Receiving feedback
- * Presentation conclusion and follow-up
- * Further reading and reference list

Hope to see you there !
