Why use these tools?

Why use these tools?

Interactive quizzes can help create:

- student engagement
- reinforcement or consolidation of learning
- a flipped library
- self-paced learning opportunities
- an environment for collaboration and teamwork
- friendly competition

and they are FUN!

www.getkahoot.com

- game show format
- can incorporate images AND YouTube videos
- a great tool to use with a group
- can have students participating individually or in groups
- exciting and fun to play
- can be played on any device with an internet connection
- need a screen large enough for the group to see

Examples of using Kahoot!

Use it to consolidate learning with classes in the library.

Make it a competition to use a resource to find answers the fastest!

Examples of using Kahoot!

Full-school Kahoot in Assembly for International Week

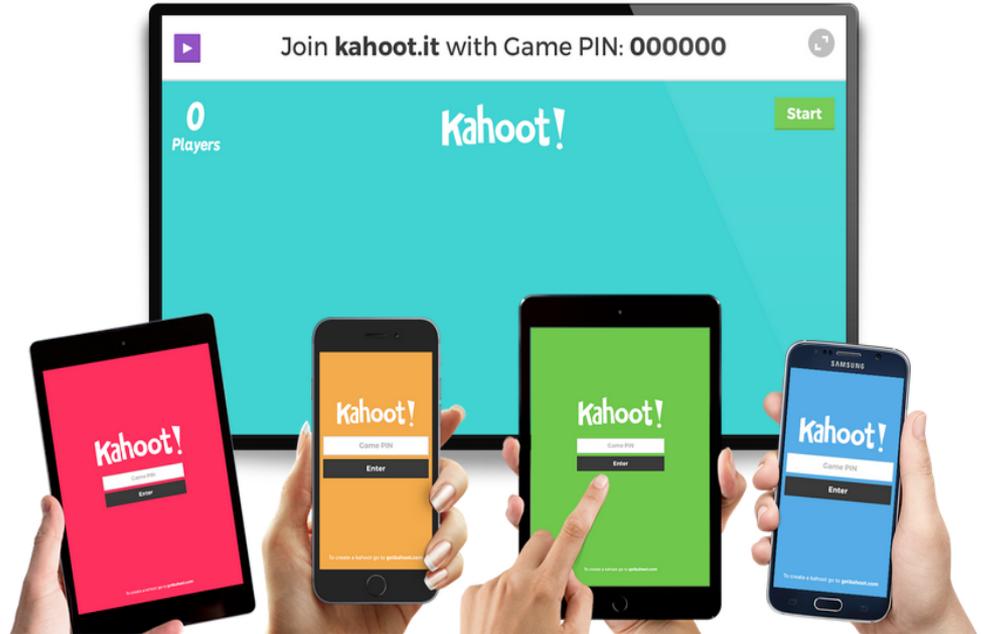

Let's Kahoot!

Ready to join?

Go to www.kahoot.it

Enter the game PIN that will be displayed on the big screen, then your name.

Good luck!

Create your own Kahoot!

Step 1: Create an account

Go to

Sharing ideas and feedback

Was learning about Kahoot! and Socrative useful for you? How might you use these tools in your library?

I'd love to get some feedback and collect some ideas of how these applications could be used. Please take a moment to write a comment or idea on our collaborative Padlet.

Go to my Padlet at www.padlet.com/sarah_c/SLANZAworkshop

Double click anywhere on the padlet to create a note that everyone will be able to refer back too.
