

THE SCHOOL LIBRARY ASSOCIATION OF
NEW ZEALAND AOTEAROA
TE PUNA WHARE MĀTAURANGA A KURA

Poster Competition

Calling all artists/designers:

The School Library Association of New Zealand Aotearoa (SLANZA) is looking for a poster to promote Aotearoa School Library Week 2025 (ASLW25).

We are looking for student artists to design an A3 portrait poster for ASLW25.

We would like the poster to reflect many aspects of a school library, and appeal to both tamariki and rangatahi.

What makes a school library special? The books, the games, the people? Gathering with friends to share joy over a book, puzzle, or exploding kittens?

Submissions are to be artists own original work.

You may use digital drawing tools or another medium that can be digitised and uploaded, such as a drawing or illustration.

Canva or similar, may **only** be used for placement of text. Using someone else's images is not acceptable

The poster must have space for us to add our logo and include the following details:

Aotearoa School Library Week 2025

The winner will receive a \$200 Prezzy Card.

Please send an electronic copy of your artwork by email to:
